## WOMAN AND HER SPHERE

Women from their situation and duties in society are called upon rather for the daily exercise of quiet domestic virtues than for those splendid acts of generosity, or those exaggerated expressions of tenderness, which are the characteristics of heroines of romance.—From the writings of Maria Edgeworth, 1767-1849.

## The Country Club Opening

OPENING of the handsome new home of Tulsa's Country club is an event which is scheduled to take place some time during the autumn, and one which scores of members are anticipating with interest and pleasure. The opening will inaugurate the social season in these circles and will be attended by considerable brilliancy. It was originally expected that the club would be completed and furnished in time for opening in October, but there has been the usual delay in waiting for materials, etc. The interior

work is far from finished and the season's initial event is now dated for November. The furnishings are due to arrive about November 1 and it is almost certain that the interior decorating shall not have been finished and everything put in readiness for approval and reception by the building committee before the end of the month with Thanksgiving a probable date for the initial social affair.

Captain H. L. Arnold, president of the club, will shortly appoint the new social committee for the season 1916-17 and then will follow the formulation of plans for such a season of gaiety as has never before been known in Tulsa's social world.

## Epithet-Rite

The marriage of Miss Minnie Echols and Mr. Charles E. Blair, both of Tulsa, which occurred August 19 in Cincinnati, Ohio, is announced.
